- Pre-stretched and matched
- Common chains available ex-stock
- Connecting links supplied, as standard

Donghua's Gripper Chain has been specifically designed for conveying plastic sheet and film in vacuum chamber machines used across the food, health and industrial goods industries.

Our high performance, OEM quality spring loaded Gripper Chain is designed with a clamp element that carefully grips the film without damaging it, providing a high film retention during operation.

Available in nickel plated for outstanding corrosion resistance.

Compatible with the leading suppliers of integrated packaging solutions used across the UK.

Approved Product Partner/Stockist
