

HSP Chain

Popular chain for the UK agricultural sector.

Donghua's Heavy Super Power Chains are designed with super high breaking loads to withstand harsh and aggressive applications.

donghua.co.uk

We only have one standard. The Best.

Donghua Offer:

- UK based distribution centre with 25,000 sq ft of warehousing capacity
- Huge local stock holding
- Extensive product range
- Regional stockists
- Wide range of materials & alloys
- Next day delivery
- Chain cutting services
- Bespoke chain supply
- Large database of original equipment part numbers available
- ISO 9001 accreditation
- API endorsed production

HSP Chain at a Glance:

- Designed with super high breaking loads to withstand arduous applications
- Selected materials
- High torque
- Long wear life
- High fatigue life
- Special heat treatment processes
- High interference fit between pins & plates
- High crush strength on rollers
- Good quality initial lubrication

Donghua's HSP Chain is incredibly robust with improved roller crush strength.

Produced using state of the art iso-thermal heat treatments for consistency, wide wasted design plates to give extreme fatigue life and ultimate tensile strength up to 50% higher than DIN standard chain Donghua HSP chains are built to withstand harsh and aggressive applications.

HSP chain is available in ANSI 50 to ANSI 200 sizes.
